

Henry County Implementing Hurricane Relief Plan for Local Red Cross Service Delivery Site

The Henry County Government, in conjunction with the four cities, the Red Cross and other Community Assistance Organizations, have developed an Emergency Response Plan for the refugees of Hurricane Katrina who are arriving in our area.

Where to Direct Persons in Need of Assistance:

**A Red Cross Service Delivery Site
has been established at
McDonough Presbyterian Church
427 McGarity Road in McDonough**

At this location, people will get access to hot showers, clean clothes, food, first-aid and counseling and will be directed and/or transported to housing if needed.

How Businesses and Individuals Can Help:

The following supplies are needed:

- cases of bottles of water (cases protect the product during shipping)
- baby formula and baby food
- diapers (all sizes) and baby wipes
- personal hygiene needs for infants, children and adults
- new underwear for children and adults (all sizes)
- individually packaged, ready-to-eat foods, i.e. granola bars, breakfast bars and other healthful snacks. (Please do not donate salty "junk food" snacks, as that just means more water will be needed)
- Cash or checks to assist with other needs as they arise, especially food and prescription medicines. *All monetary donations should be delivered to McDonough Presbyterian Church, 427 McGarity Road, McDonough. Make all checks payable to Connecting Henry*
